ITAR#: _____ ECCN#: _____

17) This sale with API is domestic only. Should the purchaser export, re-export or re-transfer the part(s) after this sale, the purchaser is considered the U.S. Principal Party in Interest (USPPI)/ Exporter of Record and responsible to ensure they comply with U.S. export controls and economic sanction regulations, including but not limited to the following:

Screening all parties to this transaction to ensure you are not selling to a sanctioned/denied party

Country of Origin determination

HTS Classification

Vetting end use applications to determine if an export license is required prior to export.

YOU ARE REQUIRED TO NOTIFY API IF AN ITAR/ECCN CLASSIFIED PART IS EXPORTING, REEXPORTING OR RETRANSFERRING TO ANY PARTY NOT REFLECTED ON THIS EUS STATEMENT.

Depending on the nature of the product (end-use application, end-user and country of destination), U.S. export controls may restrict the export or re-export of this part. Export controls may also require you to obtain a DDTC or BIS license prior to exporting or re-exporting the product. Failure to comply with U.S. export control regulations may result in serious consequences including severe fines, loss of export/import privileges, imprisonment, or inclusion on the U.S. governments list of “denied parties”.

I hereby certify that I have read this document and that the above statements are accurate. I am aware of my responsibilities should my company export, re-export, or re-transfer the parts that are being purchased through API.

18) Date: _____
